

# END CAP

(ABS007/27 - 25mm)

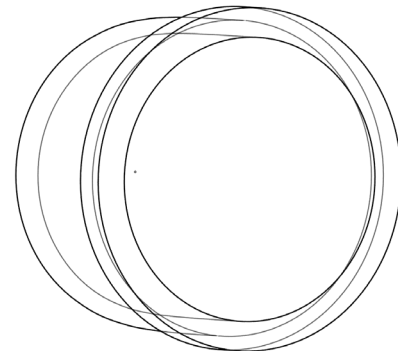

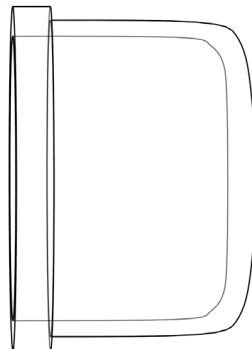

**BISSON**  
THE PIPE FITTINGS EXPERTS

Used at the end of a pipe run to seal the system.

## Installation Instructions:

Use the correct solvent Plusbond 3019. Do not paint. Keep pipe clean and free from dust. Do not install in direct sunlight. Only install with approved pipe. Do not use solvents to clean, only soapy water.
