

# 50CM FLEXI BEND

(ABSG033 - 25mm)

**BISSON**  
THE PIPE FITTINGS EXPERTS

This is a flexible bend, with internal wire strengthening to maintain the internal shape of the pipe when in use.

## Installation Instructions:

Use the correct solvent Plusbond 3019. Do not paint. Keep pipe clean and free from dust. Do not install in direct sunlight. Only install with approved pipe. Do not use solvents to clean, only soapy water.
